**Tim Bartz, CPA** is President and CEO of Anderson ZurMuehlen & Co., P.C. (AZ & Company), a regional CPA and business consulting firm headquartered in Helena, Montana. The firm has six offices in Montana and Washington and over 200 employees.

Joining the firm in 1984, Tim became a Shareholder less than two years later and was elected to the Board of Directors in 1987. He became President of AZ & Company in 1991, and has been a guiding force in the expansion that has occurred in the last 15 years as the firm has grown from two offices and 49 employees to its current size.

Tim's concentration is largely management consulting, strategic and annual planning, and succession and business continuity planning. He has significant experience in corporate, individual and partnership income taxation and planning, estate planning, tax research, and representation before the IRS. He has serviced client groups in publicly and privately owned companies in a wide range of industries and is an active member of MSI International and the AICPA Major Firm Network.

An energetic speaker, Tim's conference presentations reflect his passion for meaningful change, tempered by the realism born of his many years of experience as AZ & Company's visionary leader.

Tim currently serves on the Executive Committee of the Montana History Foundation and is a member of the Montana Ambassadors. He is also Chairman of his church's Board of Trustees and serves on its District Advisory Board. Tim and his wife Trish have two children.
